## Disciplinary Policy (1)

Every youth player will be required to sign up to the Waveney Youth F.C. code of conduct (to be countersigned by a parent / guardian if the player is under the age of 18yrs.) before they will be officially registered to the club.

It is important that proper standards of behavior are maintained and every player, manager, coach, supporter and parent must be aware that their actions will reflect on the good name of Waveney Youth F.C.

The club will take action against any person whose actions bring the club into disrepute; this may include a suspension from club activities, temporarily or permanently.

In cases of a serious breach, they must inform the club welfare officer or any member of the club's executive committee as soon as practicable.

If a player, manager, coach, parent or supporter is cautioned or sent from the field of play or is the subject of a report by the referee to the County F.A. regarding their conduct, then it shall be the responsibility of the club secretary to respond.

If necessary the person who is the subject of the complaint may be asked to prepare a written statement as evidence should an appeal be lodged by Waveney Youth F.C.

*Any appeal against a decision by the league or County F.A. is only made by the club secretary.*

Every player, manager, coach is responsible for the payment of any fine incurred as a result of their actions; payment must be made within 28 days. Failure to do so may result in their suspension from the Waveney Youth F.C.

Players who refuse to pay their fines may no longer play for the club and steps may be taken to prevent that player from participating for any other affiliated club until the fine is paid.
