Issue 1/08

Dear Waveney Youth F.C. Player

Some of you may have received an on-line questionnaire, just before Christmas, asking for your views regarding setting up a Social Club, which is something the Club has wanted to achieve for some time.

The replies have been analysed and you will be pleased to know that we are now able to take this one step further. There have been some fantastic suggestions for events in 2008 including parties (Kids and adult), BBQ's, quiz nights, a float in the carnival, Club lottery (100 Club), ten pin bowling etc. etc.

A number of parents have stated that they would like to become involved in the formation of a Social Club, either formally or informally and will be holding their first meeting in the conference room at The Denes High School at 7.30pm on Thursday 17th January 2008.

If you did not receive the questionnaire and you would like to get involved either formally or informally and would like to attend their first meeting, please let us know by replying to info@sfc2000.co.uk

One of the Club's adult teams is looking for new players. There are two teams currently playing under the CDS Waveney name in the Lowestoft and District League. The 1st team plays in Division 1 with the reserves currently in Division 3.

We are particularly keen to attract both those with previous league experience and youngsters over the age of 16 years, to get the perfect mix of youthful exuberance and experience.

Waveney Youth F.C. has ambitious plans for the adult section and has given notice to the Anglian Combination League and will apply for consideration into the League for the 2008 / 2009 season.

If successful, both teams will need to increase their squad sizes for next season.

If you are interested in transferring to or signing for the team for this season, in preparation for next season, please reply to wyfc@fsmail.net
