Date:	15/03/09	Kick Off:	11.30, Reydon Pitches
Sole Bay United Under 10	0	V.	1 Waveney Under 10E
		Scorers:	Ben

Report:

Entering in to the final few games of the season, the Sabretooths knew that they only needed a handful of points to secure promotion.

They knew this all too well, infact, if this display was anything to go by.

The Sabretooths never really got going throughout the game and it was a rare event when three passes were threaded together. Missed touches were frequent and several of the lads were trying to play football without even controlling the ball in the first place.

On occasion when the 'E' produced they created chances. The only trouble was Sole Bay's goalkeeper was more than up to them. Ben saw a drilled effort flicked over the bar, Kyle's effort was tipped around the post and the keeper did brilliantly to deny Jordan on two occasions when he managed to create his own space. Even when the keeper was beaten it didn't seem to be the 'E's day – Jordan saw his hooked over-the-head effort evade the keeper, only for it to be cleared off the line by a defender.

By far the best piece of play by the Sabretooths did eventually lead to a goal. Jordan took the ball on and committed his man before passing to Daniel, who turned and fed the ball on to Kyle. Kyle faked a run before rolling the ball back to Ben who took one touch before dispatching a trademark strike which even Sole Bay's keeper had no chance with.

The final whistle saw the Sabretooths walk away with three points – just. The game was a fine advertisement for goalkeeping, with the repeated heroics of the Sole Bay No. 1 and the somewhat less hectic but extremely composed performance of our own shot-stopper Adam.

The sky's the limit for the lads this season – with the possibility of a second successive division title a real possibility. But YOU'LL have to raise your game to make that happen fellas. We'll be looking to see whose going to rise up to that challenge – remember, effort = minutes!
