Report:

The Sabretooth's went into this local derby looking for another 3 league points to keep them in line with the league leaders. Full of confidence at the whistle, the Sabretooth's ended up being given a first half lesson about determination. Waveney 'C' came straight at the 'E' and were the first to every ball in the opening 10 minutes. This ended with them taking the lead as their wave after wave of attacks finally was awarded with a goal.

Shell-shocked from their opposition's desire, the 'E' played out the rest of the half chasing shadows until the ball was picked up by Ben deep in Waveney 'C's half. Putting his head down he burst forward, skipping around three defenders on his way to slide the ball home drawing the game level on the blow of the half time whistle.

The Sabretooths had a hard look at themselves at half time and this paid dividends. Despite Waveney 'C' continuing to press forward Joshua and Aaron stood firm, repelling any attempts from their opponent's forwards to extend the lead. The midfield of Ben, Daniel and Kyle started to take control and spread the ball around in the usual manner. This finally unlocked Waveney 'C's defence and Kyle was able to break through to give the 'E' the lead.

Waveney 'C' didn't give up and were unlucky not to draw level when a shot beat Adam in goal and cannoned off the inside of both posts before Joshua was able to scramble it away.

Ethan and Stuart came on to hassle Waveney 'C' at every opportunity and Kyle and Connor both looked dangerous when coming down the right. One of these runs led to the third 'E' goal when a vicious cross was dropped by Waveney 'C's goalkeeper and Jordan was on hand to prod home.

The Sabretooths were more than happy with taking three points from a Waveney 'C' team that were tough and competitive (and fair!) throughout. A lesson about assumptions learnt by all!
