## Match Report

Competition	Under 10 League	Division	2nd
Date:	19/10/08	Kick Off:	11.30, Barnard's Meadow
Waveney Youth 'E' Sabretooths	9	V.	1 Hempnall
Scorers: Kyle (3), Jordan (3), Ben (2), Daniel			

Report:

Having come through the drama of a 16 goal penalty shoot out thriller the week before, the Sabretooths were looking to steady their promising early league position with another 3 points today.

The boys had an extra incentive in this match – Hempnall were the only team to have beaten the Sabretooths in their original half-season whom the boys hadn't since beaten.

The game started brightly for the 'E' as Connor and Kyle continuously tormented their opponents down the right hand side. Cross upon cross were whipped into the box but Daniel was unable to get a decisive touch.

The Sabretooths continued to pressure their opponents, looking for the first goal. Aaron and Josh did a great job of cutting out their opponents attacks and feeding the ball forwards and Ben spreading the ball around comfortably.

Finally the pressure paid off. Kyle managed to glide past the last defender and finished clinically. Making sure they didn't let their opposition straight back into it like the week before the 'E' immediately put Hempnall under pressure and were rewarded with a free kick just outside the box. Ben stepped and unleashed another thunderbolt. 2-0.

Ethan, Stuart and Jordan came on looking to have an immediate impact as they had the previous week. Once again this paid dividends as Jordan was able to nod it passed the keeper with his first touch of the game. Ethan again impressed, winning the ball back in midfield before coolly slotting a ball through to Jordan who stepped inside for his second.

Daniel's hard work in the first half was finally rewarded when Kyle found him in space. Taking the ball at the top of the area Daniel put it away with an extremely composed finish in amongst a crowd of defenders.

Hempnall were able to claw one back when a failed clearance allowed the ball to find their forward, in acres of space, who took his chance. Unperturbed, Aaron, Josh, Stuart and Adam rallied at the back to ensure their opponents had no more chances.

At the other end the Sabretooths reaped more rewards for their fantastic passing display. Kyle saw a shot deflect in, Ben brought down a fantastic cross from Connor and hammered the ball into the back off the net on the half-volley and Jordan threw himself at a loose ball to send it hurtling through the back of the net.

## Match Report

The ninth came when Connor, who had given his man a torrid time all day, was catapulted out of the area by a disgruntled defender. Kyle stepped up to complete his hat-trick.

A big well done to all of the lads who are now starting to see the difference passing a football can make.
