

Waveney Youth F. C.

Match Report

Competition	Under 10 League	Division	2nd
Date:	21/12/08	Kick Off:	10.30, Barnards Meadow
Waveney Youth 'E'	0	V.	0
			Kirkley & Pakefield 'C'

Report:

The Sabretooths' went out looking to avoid defeat to ensure their unbeaten league record for the whole of 2008. They knew this would be no easy task against a Kirkley & Pakefield side who had had very impressive league and cup outings the previous year.

As it turned out, it was a game that was mere inches from going either way.

Both teams started brightly, stroking the ball around confidently. Ben and Kyle worked tirelessly, providing numerous through balls for the forwards to run onto. Connor saw an effort just rise over the bar and Daniel just ran out of pitch on several occasions before he could make a telling effort upon goal.

Aaron and Josh were kept busy in defence as Kirkley & Pakefield sprayed the ball about the field but, with the help of Adam in goal, they managed to keep them from scoring.

As the game continued the 'E' kept chipping away, but to no avail. Jordan repeatedly beat his man on the left only to see his crosses calmly cleared by the oppositions' defenders and Kyle's across goal effort glided agonisingly wide of the far post.

The closest either team came to scoring occurred when Ethan bravely headed a tantalising cross from a Kirkley & Pakefield player onto his own post, denying his opponents' striker an odds-on chance to score. Ethan once again came to the rescue with a superb goal-line clearance just before half time. The second half continued in much the same fashion, with both teams playing great attacking football and defending admirably.

As the final whistle blew both teams could have been forgiven for feeling they could have gotten more out of the game and with a little more anticipation for the pass it could well have been for the 'E'.

A huge well done to the lads for their unbeaten run throughout 2008 and an extra thank you to Stuart for coming down to cheer the lads on despite not feeling his best.
