Date:	21/09/08	Kick Off:	1.30, Lynn Grove High School
Gorleston Rangers 'C'	0	V.	4 Waveney Youth 'E' Sabretooths
Scorers: Ben (2), Kyle, Daniel			

### Report:

After a reasonably successful Cup run last season, the Sabretooths looked to continue where they left off against what turned out to be a much improved Gorleston Rangers 'C' team.

The opening minutes proved to be an end to end affair, with neither team able to unlock two determined looking defenses. The Sabretooths were able to put their opposition under a considerable amount of pressure thanks to efficient man marking on their own set pieces and were finally awarded with a goal when Kyle jinked through the defense to slot home past the keeper.

The 'E' chased hard for a second and were denied on several occasions by astute goalkeeping by Gorleston's Number 1. The second finally came when Ben powered home from just inside the box. Ethan was then denied a thoroughly deserved goal when he saw his shot cannon off the back of a defender after a glorious shimmy.

The defensive partnership of Aaron and Josh once again looked solid, each defender doing their fair share of covering and pushing forward, and Adam once again 'oozed' confidence in goal with a real committed, confident performance.

The second half began to swing the Sabretooth's way and Jordan was continually able to find gaping spaces on the right and Kyle did the same on the left. This indeed led to the third goal as Kyle crossed for Daniel who volleyed in with the side of his foot from just inside the area.

Connor and Stuart made life difficult for Gorleston in the final 10 minutes, allowing Ben to push forward and score from distance. He was unlucky not to complete his hat-trick when a thunderous free-kick was disallowed due to the goalkeeping apparently being impeded by an 'E' player. A special mention has to go to the Gorleston 'Keeper, who really did pull some fantastic saves out of the bag. Well done that man!!
