Date:	22/02/09	Kick Off:	11.30, Barnard's Meadow
Waveney Youth U10 'E'	4	V.	1 Caister U10
Ben (2) Daniel 1 OG			

Report:

Remembering well their opponents physical style, The Sabretooths' were keen to make amends from the previous weeks' game and get the upper hand in a match that may well prove to be 'a six-pointer'.

The introduction of Ethan into the midfield along with Ben and Kyle saw The 'E' win a lot of early ball, which they took forward with great vigour. It was at the other end however, that the first goal was scored. For the second week in a row an opposition player managed to find himself unmarked and head in from a well taken corner. The Sabretooths struck back soon after. After more pressure on the Caister defence from Kyle, Jordan, Daniel and Connor, Ben found just enough space to tee himself up for a trademark long-distance drive which eventually ended with the ball in the opposite top-corner of Caister goal.

The second half saw Aaron and Josh establish themselves at the back, the two of them defending admirable against attacks with an overlap on several occasions. This gave The 'E' a strong foundation with which to attack from and attack they did. Over and over. Daniel found himself on the scoresheet once again against Caister after bringing down a drifting cross from Ben, turning into space and coolly finishing past the keeper. Soon after this Kyle saw a great effort cannon of the post after some great close control.

Twice in two weeks the Sabretooths' have scored their third goal from nothing. Ben looked to be finding space to cross when attempting to beat his man deep in the Caister left corner. Have bamboozled the lad with fine toe-trickery, Ben took one step inside and viciously curled the ball around the keeper from an impossible angle with the outside of his foot, not far from the corner flag. The last few minutes saw Caister try to pull a goal back until The 'E' found the net for the fourth time. Making sure he had a hand in each goal of the day, Ben whipped in a corner and the pressure from Jordan and Stuart left a defender with little hope but to nod the ball past his own keeper.

A real response after the somewhat lacklustre team performance the week before. Well done fellas!
