Date:	22/03/09	Kick Off:	10.30, Lothingland Middle School
Blundeston Magpies U10A	1	V.	2 Waveney Under 10E
Scorers: Jordan, Woolfy			

Report:

Last week the boys were asked to raise their game for the run-in and that's exactly what they did. Never has a scoreline been less of a true reflection of how a game actually played out. Blundeston scored with their second and last attempt on goal and we stopped counting the number of the Sabretooth's shots at 37.

The starting line up took on a slightly new look with Jordan returning to start and Woolfy making his debut next to Aaron in defense.

The 'E' set out looking to spread the ball around (where was that last week?!) with Ben and Kyle testing Blundeston around the edges but a final ball could not be found. Blundeston looked quick on the break and their two chances of the game came early. The first saw a shot fly just wide of the post and their second resulted in a goal. Uncommitted defending allowed a low cross to be dispatched across the box, which in turn wasn't held and dropped to a Blundeston player for an easy tap in.

After that the traffic was somewhat one-way. Woolfy looked to push up field, distributing the ball with head and foot alike. It was one of his passes that led to the equaliser in fact. Picking out a golden shirt alone in the box, Woolfy pinged the ball into the mixer and Jordan chested down and volleyed home. 1-1!

In the second half more and more chances came and went. Ben danced around five Blundeston players before firing just over, Kyle saw a header just rise over the bar and Daniel had two good efforts blocked by defenders. Jordan, Connor, Daniel, Ethan, Ben, Aaron and Kyle were repeatedly denied by a mixture of excellent 'keeping from Blundeston's second half goalie, deflections off the woodwork (one of Ben's efforts actually came off the cross bar and both posts!) and less than perfect technique.

The second goal came from a corner (where the 'E' had threatened all game). Ben glided the ball in and Woolfy met it with his head, knocking the ball down and leaving the 'keeper helpless.

Whilst only those lucky enough to have been there on Sunday will know how many goals the 'E' could have had, if the lads continue to play like that for their last few games the goals will definitely come. Well done guys – at times you were unplayable!

A2B Removals and Storage Player of the Match:	Woolfy
