Date:	25/01/09	Kick Off:	11.30, Barnards Meadow
Waveney Youth 'E'	4	V.	0 Blundeston Magpies 'A'
Scorers: Kyle, Daniel, Connor, Jordan			

Report:

The Sabretooths managed to put on a confident display in their latest league outing, despite the less than pleasant weather conditions.

The opening ten minutes were an open affair, with both teams looking to take an early advantage. Aaron and Josh were on top form to limit their opponents' opportunities and on the odd occasion where he was called into play, Adam was more than confident. Ben and Kyle relentlessly pressured Blundeston's midfield, gaining ground repeatedly and winning back the ball on numerous occasions. Blundeston defended well though, offering Daniel and Connor very little to work with.

The 'E' began to find more space after the introduction of new faces. Jordan was able to link effectively with the midfield and created several chances with fancy footwork. The threat being posed on the left side opened up channels on the right and Kyle was able to take full advantage, blazing through and placing the ball to open the scoring. A second soon followed, following a great run from the back by Josh, centring the ball to Daniel. Two touches were enough as he cushioned the ball onto his preferred foot and coolly slid the ball home. 2-0. The Sabretooths took this lead into half-time, thanks in part to Ethan, who once again appeared and made a vital goal-line clearance from a great Blundeston free kick.

The second half saw the 'E' grow in composure with the lads competing for every ball. Huge parts of the 20 minutes were spent in the oppositions' half. Aaron crept forward in an attempt to support the midfield, leaving Josh to handle the defensive duties alone. A job, in fact, he did so well that goal keeper Adam played the entire second half without touching the ball once!

Opportunities came thick and fast at the other end. Connor pounced on a poorly cleared ball to make it three and Kyle found Jordan in acres of space with a well thought-out throw in, who turned and finished with his left foot. The cross bar came to their rescue from a driven free kick from Ben and a mixture of excellent reflexes from the Blundeston 'keeper and unfortunate positioning of the goal posts (!) on several occasions kept the score at four.
