### Report:

The Sabretooths returned to league duty this weekend against another team who finished in the top half of the table the previous season. With all 10 boys itching to get their first 3 points of the season, the 'E' started the game positively. Within the first few minutes the frame of the goal came to Sole Bay's rescue as Daniel cannoned a shot goalward. The visitor's goalkeeper made some fantastic saves as the Sabretooths piled on more pressure. Daniel once again tested their No. 1 and both Ben and Jordan forced him into action. The deadlock was eventually broken as an off-the-ball run by Jordan dragged the defenders wide and Kyle cruised through to place the ball in the top corner. The 'E' were given a scare after only 10 minutes when captain Ben was forced to come off due to a hand injury. Ethan stepped up to the plate and held the midfield admirably for the rest of the half.

The second half saw the Sabretooths come out in a far more determined mood. The ball was stroked around from wing to wing and cross after cross bombarded Sole Bay's area. Jordan was able to capitalise from one of these, controlling the ball superbly with his chest and tapping home from close range. Connor, Ethan, Kyle and Josh were all involved in the team move of the match as they passed the ball around the opposition, finally ending up at Stuart's feet at the edge of the area, who was forced to see his drive fly agonisingly close past the post.

Then came the real highlight. Having won possession of the ball at the edge of his own area, Josh found space to take the ball on. He then continued past and around three opponents before slotting the ball coolly home under the keeper. What a way to finish a length-of-the-field run! More chances followed and Kyle was able to grab another. What a shame the lads didn't have their finishing boots on for the whole match! Hope the hand's better soon Ben!
