Report:

Having battled their way to a hard fought victory against the 'C' team only a few weeks ago, the Sabretooths' kicked off knowing they would need to find the right combination of grit and skill to win again here.

The 'E' pushed forward from the off but were unable to find the clinical pass to create chances for their forwards. At the other end of the pitch Josh and Aaron dug in deep and defused numerous attempts from their local rivals.

Ethan and Ben proved an effective midfield, winning ball and interlinking but resolute defence from the opposition limited them to a handful of long range efforts. It was, however, from one of these that the 'E's first goal came about. Ben's effort was travelling wide but a misjudgement from the keeper saw the ball spill loose and Jordan was on hand to put it away.

The Sabretooths' looked comfortable but were unable to add a second. The second half introduction of Kyle provided Waveney 'C' with all sorts of defensive problems. However when the next goal came it was unfortunately at the other end. A poor clearance fell straight to a Waveney 'C' player who rounded the keeper to equalise.

This spurred the Sabretooths' on further and they carved their way up the field repeatedly. Daniel, Connor, Ben and Stuart's hard work was finally rewarded when Kyle was found open on the far side of the box. His rasping shot was well saved by the keeper who unfortunately could not hold on and Jordan popped up once again to bundle home the winner.

The Sabretooths' would like to wish the Cougars all the best for the rest of their season.
