**N&SYL U11 Division One, Gorleston FC A 1 Waveney Youth U11A 3**

Waveney Youth U11A secured a quick double over the Greens on Sunday with a comfortable victory which extended their winning run to a remarkable 15 matches. The visitors began strongly and in perfect conditions Waveney played some fine football, but it took a set-piece move to break the deadlock when Butler's dangerous free-kick was latched onto by Gallant to poach the opening goal.

Waveney were passing the ball with intent and Anderson's defence-splitting pass released Gallant who finished over the keeper for his brace and the visitors' second. It was one-way traffic and the tricky Gallant turned provider for the third when his pinpoint cross was superbly headed home by Phillips for a deserved third. Butler then hit the post just before the break.

The visitors dominated the second-half and Woods, Phillips, Nichols and Mahoney all spurned chances to give Waveney a more emphatic win. Meades came to their rescue though with a brave save with his feet, before the Greens notched a late consolation when their number 10 floated an excellent shot in the top corner, which just eluded the despairing dive of Meades. This was another solid team performance by Waveney who impressed throughout and should have won by several more.
