N&SYL U11 Division One, Swindell Juniors 0 Waveney Youth U11A 6

Waveney Youth U11A travelled to North Denes, Great Yarmouth on Sunday and earned three points from a scrappy and at times physical encounter against Swindell. On a drying pitch and with a strong wind, the visitors struggled to play their passing, counter-attacking football and it took more than half the first period before Woods' intelligent ball released Gallant who beat a defender and then finished in the corner.

French quickly doubled their lead with a fine right-foot strike from the angle of the penalty box, and the same player was on hand to bundle home number three just before the break. Swindell carried little threat and with Butler and Walpole solid at the back, Waveney should have scored many more than the further three goals that hit the home net as first Anderson picked up the pieces for the fourth just after Sissen had been denied a penalty.

Top scorer Gallant stroked home the fifth after good play by French and Sissen. Welton then pulled a shot wide but visiting supporters saved their loudest cheer for the last when left-back Bush smashed home number six for his first goal for Waveney 'A'.
