Report:

Waveney entertained Sole Bay from a lower division in this 1st round cup match. Waveney had to shuffle the pack with 2 of their recognized back 4 missing so went with a 3 at the back, 4 in midfield and 3 up top.

The first few minutes were quite even but once Waveney found their feet there were only ever going to be one winner. Ryan H neat flick set up Joe who made no mistake. Ryan N shot from distance and Bailey narrowly missed from close range. No2 came when Lewis's superb cross was met by Bailey who headed home. After the opening 2 minutes Waveney then dominated until the 20 minute mark in which time Joe had a great strike saved by the keeper, Liam B crossed for Bailey who headed straight at the keeper, a neat move involving Liam SS and Bailey released Ryan H who shot straight at the keeper and then Neat link up play between Lewis & Liam SS also had the keeper diving at full stretch.

Lewis was playing extremely well in the period putting over some superb crosses and from one Bailey met the ball well but the keeper parried but Ryan H was on hand to tap in the rebound. Lewis again put in a telling cross but somehow Ryan H missed the target and this was followed by a Lewis shot and then a Joe shot superbly saved by the keeper. The final 10 minutes of the half became scrappy and allowed SB in to the game and from a corner poor defending allowed SB to reduce the arrears in what was really there first attack of the game.

For all Waveney's dominance they could not find the back of the net and further chances fell to Bailey who shot straight at the keepers legs followed by first a great strike from Shaun who minutes later hit another unstoppable shot which crashed off the bar and an unlucky effort from Ryan H.

After the break it was a case of keeping their shape and the goals would come and it was not long when a neat pass from Joe found Ryan H who flicked on for the on running Bailey who made no mistake. Then Baileys pass found Lewis who shot tamely at the keeper. A great Liam SS pass split the defence again for Bailey to run on to who again netted with ease. A super shot from Joe was parried by the keeper but Liam SS was on hand to tap home. Lewis produced a moment to saver when he coolly chipped the keeper from the edge of the box. Lewis then sent over another great cross but George headed wide and Bailey when clean through shot wide of the target.

Match Report

Liam SS showed great feet and trickery to set up George but his neat pass fooled the defence and allowed Bailey to score his 4th. Within a 3 minute spell Waveney were awarded two penalties one for a foul and the other hand ball but both were missed as Shaun hit the post and then George fired straight at the keeper. Shaun then got in on the act when he scored for the second week running and then Joe got his second with a super low drive. Joe's neat feet set up Ryan H who shot wide but made amends moments later when he met a great cross from Liam SS to notch his 2nd of the game for a comfortable victory against a well mannered SB team who never dropped there heads and kept going till the end.

Lewis Cooper & Liam Storey-Smith
Excellent performances from you both, you showed desire, played the right balls and capped off a fine display with a goal a piece.

Guys.

First 20 minutes of the first half was excellent and the only thing missing was more goals. Lost our shape after that till half time but put that right with a fine display in the second half. Well done to you all. Keep it going and get that confidence sky high
