Report.

Waveney travelled out in the sticks to a cold wet and a bog of a pitch in Hempnall. From the opening minutes it was clear this game was never going to be a classic. The Waveney players were quiet and Hempnall went about their normal game in giving teams very little space and not allowing them to play. Joe crossed early for Shaun to shoot but his shot missed the target. Moments later Shaun rifled in a superb shot but the keeper was equal with a fine save. A little piece of magic from Lewis when he changed direction of play with a superb ball allowed Joe to run on to and in his stride chipped a neat ball over the keeper to take the lead. A neat move involving 3 or 4 players allowed Liam Brown to take the ball on and put a beautiful ball through to Ryan Horton who took the ball on and scored with a neat finish only for it to be harshly ruled out for offside. Ryan Nixon took a good long range effort which the keeper gathered and then Liam Brown set up Liam SS who just missed the target. Again Shaun connected well with his shot but the keeper tipped round the post. Lewis chased a ball through the middle and battled strongly to gain the upper hand over the defender and just as the keeper came out Lewis knocked the ball under him for a 2.0 lead. With a minute to go before half time Waveney dropped their guard and allowed a forward to run through and score.

After the break Jackson played up front and Bradley went in goal and within two minutes of the restart Lewis scored his second with a fine curling long range effort. Jackson was busy up front with his running and was getting amongst the Hempnall defence and his persistence nearly paid off when he broke free but fired in to the side netting. Bradley then had to be alert to make a fine save. Hempnall were then awarded a very generous penalty which the player dually obliged with but credit to the ref who made them take it again for encroachment and this time he fired straight over the bar which was just rewards. Ryan Nixon broke well and ran to the box but panicked and missed the target with his shot and then a neat Ryan Horton ball played in Liam SS who with the goal beckoning fired in to the side netting. With a couple of minutes to go Joe fired in a low cross for Liam SS at the back post to score with ease.

Match Report

Guys.

It was not pretty today but it is points on the board and that was your sixth straight victory in all competitions. It was far too quiet and as the game went on we became too narrow. A lot more will be required next week if you want to progress to the final of the league cup. This will be your 3rd league cup semi final in 4 years and let's hope you turn up in the right frame of mind for the game if not I'm afraid it will be bridesmaids again.
