Caister U12A	0	V.	1	Waveney Youth U12B	
			Jackson Ayres		
Referee:	Tony Hunson				

Report.

Waveney travelled to Caister looking to continue their good run of form going. It was Caister who were quickly in to their stride and created a good chance but the striker shot wide of the goal. Joe found Lewis who put over a peach of a cross that somehow eluded everyone and it was Joe again who delivered a superb defence splitting pass to Ryan Nixon but his first touch let him down and the ball travelled all the way back to the keeper before Ryan could gain control again. George then connected with a fine overhead kick but the ball went straight in to the keeper's arms. Bradley then had to be alert to produce a fine save tipping the ball on to the crossbar and over. A clash of heads then saw George leave the field of play and his replacement Tom was soon in the action with a long range shot. Bailey then had to react quickly with great covering to avert a good Caister attack and this was followed by another excellent Bradley save.

After the break it was much the same Caister having a lot of control as Waveney never really got going. From a long range shot Bradley had to be alert and produced a fine flying save tipping the ball on to the post but a Caister forward reacted quickest and fired in to the net but the Ref gave him as offside. It look like one of those days for Waveney until Lewis with 12 minutes remaining got the ball down the right he then beat his marker and rolled the ball to the on running Jackson who neatly chipped the keeper for a fine goal. Caister came at Waveney to try and get the goal their play deserved but Waveney held firm for what could be seen as a fortunate victory.

Waveney Volvo Centre M.O.M

Jackson may have been the hero of the day but the M.O.M has to be the impressive Bradley Carroll

Guys.

It was one of those days today, not great football but that could have been down to the bumpy, hard and lopsided pitch. We battled well for the ball but did not create nearly enough chances. I have to say we did not deserve the 3 points but still am very pleased to have them. More will be needed over the next 3 weeks but after your fantastic run of late we can excuse you of this little blip Keep going guys and keep the faith with your own abilities.
