Shaun Frary (2) Bailey Jenner Bradley Carroll Lewis Cooper					
Referee:	Graham Reid				

Report:

Waveney entertained Rangers B for the second week running after last week's cup clash.

With Waveney trying to find a formation that works for them made changes to see how it would work, the hard working George moved to right back, Bailey moved to centre half and Bradley played up front. And it could be said gentlemen that this worked very well especially in the first half when the football was of a very high standard.

With 4 battlers at the back Waveney were never really troubled and Bailey as you would expect after several seasons up front took time to find his feet but it must be said that Bailey had a very effect game that gave us options and already has forged a good partnership with Brandon. Shaun played a neat ball inside the defence for Joe to run on to but his hard shot fired in to the side netting. Joe had some nice link up play with Liam Brown who in turn found Ryan Nixon who shot for goal but the keeper gathered comfortably.

Bradley after having a good shot saved himself played a neat ball to Shaun who made no mistake for Waveney to take the lead. George's quick throw found Ryan Nixon who turned and crossed to Shaun who dropped a shoulder to beat his man and curled a delightful shot in the top corner. Waveney had lots of the ball but did not create as many chances as last week but with the really cold and windy conditions the important factor was to gain 3 points. Lewis picked up a loose ball in the middle of the park controlled well to set himself up to launch a rocket of a shot straight in to the top corner giving the keeper no chance.

After the break Shaun was unlucky not to complete his hat trick as the keeper saved well. With the backline staying much the same it was the midfielders who this week had to have times as a sub and this at times gave Waveney a little unbalanced look but the team kept going and at times played some really exciting football. Mid way through the half and as normal the now so reliable Shaun and George were having really good games this added to the strong new looking backline.

Match Report

Joe and Liam SS as normal made their mazy run's and were hard to deal with but it was Bradley with a fine finish that added to the scores.

Towards the end of the game Tom swung in a good looking corner that was headed straight to Bailey who for the first time today had ventured forward and he finished in style with a hard low drive

Waveney Volvo Centre M.O.M.:

Shaun Frary for again putting in a superb performance

Guys.

I did not know what to expect today but I can say I was really pleased with the outcome. Sometimes in life we need to make decisions especially if things are not going for you and It is always hard to make changes especially some of the ones we made today but it worked. Hopefully next week we will do much the same and the team can gain some playing time in these positions.

They were difficult conditions today and you all performed really well.

Keep going lads
