Date	21/09/2008	Kick Off:	10:30am
Waveney Youth U12C	0	V.	4 Waveney Youth U12B
		Bailey Jenner 2 Joe Dowsing 1 Liam Storey-Smith 1	
Referee:	Tom Critoph		

### Report:

It was a shame these two friendly teams had to meet each other in this preliminary round of the cup.

For the opening minutes it was the C's who were playing the nice one touch football and looked as though they were up for the fight ahead but it was the B's who had the first chance when Liam SS found Bailey but he failed to connect properly with the ball.

Alex for the C's then went on a great run but produced a poor pull back that missed all his team mates. The B's then started to produce chances without really playing that well and a superb piece of play from Lewis set up Liam SS but he shot just wide. Liam Brown then set Liam SS up but this time he fired just over the bar. Then Joe went on a run and let one fly which came back off the bar and the ball went crazy in the box with the C's unable to clear and the B's unable to find the net.

Another excellent trick from Lewis found some space and set up Ryan H who with an open goal somehow fired it straight at the crossbar with Joe the first to react but his shot was superbly saved by Dom in goal. Ryan N then sent a lovely ball through for Joe to run on to but he fired his shot over the bar. In a rare attack Jordan had a chance at the other end but sliced his shot wide.

Shaun then went on a lovely run and found Lewis in space but his weak shot went straight to the keepers arms. After the break the B's were told to keep going and just improve on their finishing.

The opening period of the second half were pretty even but 10 minutes in the B's got a slice of luck when what seemed like a Bailey push went unpunished for him to calmly slot home. Joe then took a corner straight to Liam SS who volleyed over the bar. The goal of the game came next when some neat skill in midfield from Bradley released Liam SS who crossed superbly for Joe to volley home.

## Match Report

It was all the B's now with the C's rarely showing the quality they have and Liam SS was out to inflict more pain but a beautiful pass to Bailey was fired over the bar. Liam Brown showed great skill and crossed to Liam SS whose shot was parried by Dom but Bailey was first to react and neatly side footed home. Bailey had a great chance to get his hat trick but just as he took his shot he slipped. Liam SS capped a fine display to score a well taken final goal in a well manned and entertaining game of football.

Guys.

First game of the season and a win so cannot complain too much.

Great debuts for the two new boys Shaun & Ryan who gave us a bit more metal in centre midfield.

We will need to improve but hopefully that will happen as the games come along.

Only negative points a couple of you had long faces because you had to come off and certainly the work rate for some will have to improve as you did not want to work for the team and kept walking instead of chasing back. (remember if you cannot be bother to work for the team you will be sub)
