Date:	22/03/2009		Kick Off:	13.00	
Waveney Youth U12B		4	V.	1	Caister U12A
Joe Dowsing (2) George Winchester Tom Shilling					
Referee:	Jon Lovelock				

Report.

Waveney faced Caister in their back to back meetings. This game was much the same as last week. I do not know if it was just the opposition but this game was filled with high balls and loose control from both sides but it was good to see Waveney battle for their deserved victory. Waveney got off to a solid start and Liam SS jinxed his was from the wing and cut the ball back to full back George who superbly fired high over the keeper from outside the box. George then had another long range effort and Shaun's good run released Ryan N who shot just wide of the target. Liam Bowen battled well up front to win the ball and passed to Joe who neatly chipped the keeper. Shaun was then unlucky to have a shot cleared off the line.

After the break it was much the same both teams giving plenty of effort but not much flowing football. Half way through the second period a mix up in the defence allowed the Caister forward to nip in and reduce the arrears. This spurred Waveney on and from a hand ball just out side the penalty area Tom fired hard and low to net and give Waveney a bit of breathing space. With 2 minutes remaining Joe went on a mazy run beating the Caister right back, cut in to the penalty area and fired a superb shot over the Caister keeper.

**Waveney Volvo Centre M.O.M** Has to be the solid display from Liam Brown  
Guys.

Not much better than last week in terms of football but still a valuable 3 points. Far too any players went absent today and played no where near their true ability. This was a hard fought 3 points but the next 2 games will need all players fully focused and willing to work their socks off instead of some of the half hearted stuff today. It's up to you for next week, if the hunt for silverware is to continue you must win.
