Bailey Jenner Ryan Horton	Ryan Nixon Lewis Cooper				
Referee:	Graham Reid				

Report:

Waveney welcomed the travelling and unbeaten Thetford team in this first round game of the Ipswich & Suffolk open cup. With something to prove after two below par performances Waveney came out with all guns blazing. Joe looked tricky early on and gave the right back the run around and from a great cross Ryan H headed towards goal and Bailey connected well but headed just wide.

On the right flank Liam SS was also full of running and tricky and after beating two players slipped a lovely ball through to Bailey who controlled and shot to score a very good opening goal. With this much needed boast Waveney went straight on the attack and when Joe jinxed passed his markers he cut the ball back to the on running Ryan N whose stunning shot from outside the box sailed high in to the top corner. Liam SS again with his tricky ran amuck on the right and when he cut inside he fired a fierce drive that came off the defender and into the side netting.

Liam SS again set up Bailey and with a good touch set himself up but this time the keepers legs saved them conceding another goal. After good work from Ryan H, George's effort just went wide.

On a breakaway Thetford scored a well taken goal which gave them some confidence and for 10 minutes or so passed the ball well and looked dangerous. Joe went on a mazy dribble and after beating the last defender looked up and tried to chip the keeper but the keeper some how got his finger tips to the ball but Lewis was on hand to score in the empty net. Not much changed after the break with equal possession but with Waveney creating the clear cut chances.

Lewis put a delightful ball to Liam SS who was unlucky with his shot. Joe battled well to win the ball off the defender and ran towards goal and hit a shot across the keeper but a great finger tip save prevented a goal.

Again Lewis combined well with Liam SS and this time Liam's sweet strike hit a post.

Waveney Youth F. C. Match Report

Liam SS crossed for Bailey who headed just wide and then Joe's great strike was cleared but only as far as George who fired it straight towards goal only for the ball to be headed off the line.

Shaun put in a really good cross but George headed just wide. Waveney wrapped the game up with 10 minutes to go when Bradley's neat chip went straight to Ryan H who volleyed home. With 5 minutes to go Thetford were awarded a penalty but Jackson was equal to the task with a fine save.

Liam Storey-Smith and Bailey Jenner

Guys.

Just what the doctor ordered. If only, if only, if only, again we say it, if only they could put that amount of effort in every week.

Great performances all over the pitch, great link up between Liam Brown and Joe and Lewis and Liam SS looked to be getting a good understanding. Bailey's work rate was superb and he defended from the front putting pressure on at every opportunity.

Much better work rate and determination to win the ball from Shaun, Ryan and George in centre midfield and apart from a couple of moments the defence looked good.

Well done guys, great performance today, let's hope we will be saying the same next week.
