Report:

A 10 man bottom of the table Halesworth team travelled to Barnards Meadow on what was a beautiful day for football, no wind a good playing surface and the sun shining.

Waveney were soon about their business when a Joe corner was headed narrowly wide by Liam Brown followed by a crisp Lewis shot that the keeper gathered. The next move was how Waveney played all game with good intelligent play and neat passing first Bailey from the back found his centre half partner Brandon who in turn passed out to right back George who played it up the line to Liam SS who played a neat one two with Lewis which gave Liam plenty of space to operate in he looked up and played a superb ball for Shaun to volley home. Ryan Nixon then burst through the middle of the park to play a neat pass to Shaun who again made no mistake.

A lot of neat play followed but Waveney were just of target with their shots first a neat move involving George, Liam SS, Lewis and Ryan Nixon released Joe whose neat chip just went over the bar. Joe then had a great strike which the keeper saved and then Joe hit a thunderous shot which crashed down off the crossbar. Shaun was first to react in the goalmouth to score the third and his hat-trick. A poor goal kick went straight to Joe who made no mistake firing hard and low passed the keeper. Tom then unleashed a beast of a shot that the keeper tipped over the bar. Bradley then scored with a cool finish and Joe crossed for Liam SS to notch at the far post. Waveney were awarded a penalty but Tom crashed his spot kick against the post. Joe again was on hand to run at the defence to fire hard and low in the left corner followed by a Tom goal from distance. The half finished with a Tom corner being put in his own net by a defender.

With the score 9:0 at half time it was a case of keeping it simple in the second half and with a few positional changes Waveney continued to play some attractive football. Tom again unleashed a good shot but again the keeper saved well and this followed another penalty this time defender Liam Bowen stepped up but the keeper was equal to the shot with a good save. Liam Brown put in a delightful defence splitting pass to Joe who scored his hat-trick and following this was a fine Lewis cross that Joe made no mistake with.

Waveney Youth F. C. Match Report

Centre half Bailey surged forward and gave a fine ball to Liam SS who made no mistake. For the final 15 minutes Jackson the normal keeper was given a run up front and came close twice with one shot coming off a post, Shaun with a good shot was unlucky to see his shot crash off the cross bar but soon made amends when he scored his 4th and could have scored his 5th but his shot hit the post. Liam Brown from left back then tried to get in on the act with a curling shot but the keeper saved well. Ryan Horton scored number 14 after a goal mouth scramble and from another Tom corner a defender headed in to his own net. In the last two attacks Lewis's great run and cross saw Shaun unlucky with his shot and a Shaun cross was nearly converted by Jackson.

Waveney Volvo Centre M.O.M.:

A lot of good performances today but I have to say that even though they were not troubled much, everything they did was simple and effective so well done to the centre half's Brandon Ayres and Bailey Jenner

Guys.

It is not always easy playing the bottom of the league and for once you kept the flowing football going. The back 4 played a superb game always being an option and it was good to see superb link up play with Liam Brown and Joe and George and Liam SS. Who ever played in midfield were strong and apart from a couple of times when shots were taken instead of passing, the ball passing and link up was very good. Some different formations today which some worked and some did not. So in all a good day at the office which only gives you one more game to impress to see who will make the semi final line up in 2 weeks time.
