Waveney Youth U12B	4	V.	2	Kirkley & Pakefield U12A
Shaun Frary (2) Bradley Carroll Ryan Nixon				
Referee:	David Pettitt			

Report.

Both these teams were looking for a win in what was a typical hustle and bustle local derby.

It was K & P who came out of the blocks quicker and went about their business. Waveney looked uncertain for the opening 5 minutes and were lucky not to go a goal behind when the forward burst through but hit the post with his shot. Waveney playing against the wind first half once in their stride looked happy to contain but the K & P forward looked dangerous but lucky for Waveney kept getting himself offside whilst in good positions.

With both teams desperate for the win the game at times became scrappy with a lot of possession around the middle of the park with the typical blood and thunder of the occasion. Waveney looked threatening every time Ryan Nixon got the ball and for the third week running against very good opposition scared the life out of them. It was Ryan himself who opened the scoring with a thunderous shot from the edge of the box that left the keeper no chance. The K & P keeper had a big kick and with the wind advantage this caused problems in the Waveney defence as the ball generally would be between the midfield and defence and with no one committed to take control the results were generally unnecessary pressure. This is how K & P levelled when no one took control and the big kick was allowed to bounce over the defence and the quick Harry up front for K & P ran on to and side footed past the stranded Waveney keeper. Tom took a long range effort but the keeper gathered easily and then Ryan Nixon was unlucky when he hustled and hustled his way through the K & P defence but his shot struck the post. K & P then had a chance as the forward burst through but fired his shot high over the bar.

After the break it was a case of keeping things tight and hopefully it would turn out alright for Waveney with the advantage of the wind and within 2 minutes of the restart they found themselves in front when the jinxing Liam SS cut inside the K&P defence and shot for goal but the post was on hand to save the static K & P keeper but Shaun was quickest to react and he pounced on the ball to fire home. Again a lot of possession was in the middle of the park with full committed tackles and determination from both teams but not the fluent football both these teams are used to.

Waveney Youth F. C. Match Report

With 12 minutes to go Bailey was adjudged to foul a K & P player in the box and the penalty was calmly scored. Bradley in the Waveney goal took a huge kick which no one went to meet and it bounced over the K & P midfield and into the box with the K & P keeper coming out to collect but the second bounce deceived him and it bounced over him in to the empty net. With 4 minutes remaining a K & P defender was adjudged to have hand balled in the area and the ref gave a penalty which Shaun coolly slotted home. With a two goal lead Waveney brought on the ever so patient substitutes of Ryan H, Liam Bowen and Jackson who finally played a part in this game.

Waveney Volvo Centre M.O.M

For the 3rd week running and against top class opposition Ryan Nixon has scared the life out of defences.
Great performance

Guys,

Not pretty today but you battled your hearts out. Both teams it could be said nullified each other out but it was very pleasing to see you not throw in the towel when they levelled. You kept going and you got your just rewards in what was your 9th local league and cup game without defeat. Week by week you believe in yourselves that little bit more. Not far to go now in what could be your best season ever. Many thanks again to the subs that again waited in the wings without pestering to come on. This is Great credit to you on understanding that sometimes in life this happens. Well done to you all for a battling and committed team performance.
