Report:

The game eventually kicked off after a 50 minute delay and 4 different referee's names being mentioned and waited on...Waveney looked the better side in the first half and indeed went into the break looking good for the 3 points. Jordan found the net in style after collecting a ball and turning the defender to unleash from the edge of the area. Brandon man marked the fast in form striker and kept him very quiet indeed limiting his touches completely. Loddon as expected came more into the game and pressed for the equaliser but the tough tackling of the backline ensured a clean sheet in the first period.

Fred replaced Danny on the wing and worked hard trying to emulate the blond haired winger. 8 minutes in the home side got the equaliser after Dominic saved a strike but unfortunately couldn't hang onto the ball and broke for the forward to tuck away. The game then ebbed and flowed with the two quality sides playing impressive football. Fred struck at the near post only to have the goal disallowed for offside, and Loddon's goalie had the busier day with 3 fantastic saves to keep Waveney out. Jordan looked to get on the sheet again with a super effort in the top corner but the athletic keeper sprung from the ground and turned the ball around the far post for a corner. Loddon got the winner with 6 minutes to go, a free kick was dropped to the far edge of the box with the ball going nowhere but somehow ended back in the danger area and was turned in a metre out.

Great display of football today by both teams and we look forward to meeting again next season in the top flight – thank you.
