Jordan x 3

On paper this was going to be a great game with the top two playing good football, and it didn't disappoint with league leaders travelling to inform Waveney. The game started at a blistering pace with both sides getting early shots off. Waveney got the first decisive finish with Jordan collecting a ball on the left and beating the defence to slot home in the far corner.

Loddon equalised with a superb lob that Dominic managed to push up but unfortunately dropped just under the bar. Within one minute Waveney regained the lead after Dominic's long goal kick fell to the feet of Jordan, still with work to do he rounded the defence to meet the keeper for a 1 on 1 and then once the keeper was committed he slid home for 2-1.

The wing backs played superb and Brandon for the second time this season man marked the play maker to ensure Waveney kept the upper hand. Jayson cleared a ball off the line and Dominic calmly took a goal bound effort as Loddon looked for the equaliser.

On 28 minutes the away team were awarded a penalty, the striker shot low and hard but Dominic flung out his hands to push onto the post and then collect safely to rapturous applause from the sidelines.

The second period was not quite as fast as the first half as both teams had put immense effort in to the opening period. Halfway through the game Loddon drew level at 2-2 with Waveney leaving a gap in the defence for a well taken volley from the away side.

The C team kept battling and looking for the 3 points with Danny & James exploiting any space on the wings. Corey & Alex kept firm in the centre and Jake & Daniel playing simple hard football at the back. With one minute to go Fred broke free from the midfield and drove in to the box, his surging run resulted in a foul and a penalty to the home side. Jordan stepped up, kept his nerve and slotted home for 3-2. Henry entered play for the dying seconds to ensure the victory with an extra defensive body.

Boys, today you have proved you can compete and win with a top footballing side. If you continue to work like this, listen to the instructions and play with the flare and passion showed you will do very well this season. You all deserve a pat on the back!
