Report:

Burnt Hill turned up in fine spirits and played good football defending resolutely. Waveney pressed hard down the flanks, direct through the middle and long range efforts but the rear guard and goalkeeper stood firm keeping the game on an even keel until the 12th minute when Alex finished a great move with Jordan nipping round the defender to pass to the goal scorer.

The second half saw Waveney step up a gear and Jordan doubled the lead within a minute after James passed a diagonal ball to the on rushing striker to slot home. Jordan then got his second after a superb run down the right from the quick footed Danny; which resulted in a super save that fell kindly to Jordan on the edge of the box who made no mistake and rifled in the top of the net. James put the game out of reach with a magnificent half volley.

The backline and midfield played well, held positions and always looked for the correct pass even when under pressure. Dominic kept a clean sheet and also got on the score line with a well taken penalty after Alex was felled in the box.

Today was good no nonsense performance and great to see the training techniques paying off on the pitch...keep it up lads and the good times will follow.
