### Report:

Within 28 seconds Jordan opened the scoring with Waveney looking for goals. Dominic played a long goal kick to Danny on the wing who then played a neat diagonal ball for the hot striker to tuck away at the near post. Jordan soon added two more and could have quite easily made it 6 or 7 nil within the opening ten minutes of dominant play. James made it 4-0 after meeting Danny's right wing cross at the far post to slot home. Jordan increased the goal count after a superb piece of interplay with Corey and Alex finding Daniel on the left wing and then supplying a telling left foot pass for Jordan to poke home. One minute later Alex went on a mazy run eluding any tackle that came his way, found himself at the by-line to pull back for Brandon to finish in style.

The second half took 4 minutes for Danny to get on the score sheet. Jake broke up a long clearance and headed the ball to James, who in turn ran into the box and had his shot saved by the brave keeper, but there was Danny to follow up ensuring the move was rewarded with a goal. Alexander slotted home after Brandon's measured pass was met by the attacking minded midfielder. James got his 2<sup>nd</sup> of the match after driving into the box with constant pressure from the defender pushing him wide, thus enabling him to switch feet Gascoigne style and rifling in the back of the net with a volley. Fred got more into the match and surged forward on many occasions, one of these resulted in a penalty which Robert stepped up and tucked away for his 1<sup>st</sup> of the season. Oulton managed a consolation goal after Waveney switched positions allowing a high ball to be slotted away, but Waveney re-jigged and worked hard again scoring another 2 goals; Fred & Corey both netting one after good work involving a rampant side pushing for promotion.

Again today you played extremely well, and even with the goals flowing freely you remained disciplined and held shape all over the pitch. You made good use of the wings and added to the striking opportunities...well done to you all ☺
