Report:

This game was billed to be a cracker, and it certainly didn't disappoint! The game was full of passion, guts and more passion...which seemed to be echoed from the sidelines as well.

Shrublands opened the game playing the better football and looked sharp passing and moving the ball well. Waveney scored on 5 minutes with a counter attack, Jordan collected the ball wide on the left and dribbled past the defence to finish off a low shot beating the keeper at the near post. This goal swung the balance towards the home side and for the rest of the half looked very comfortable. James & Brandon switched positions to keep Shrub thinking, and it was this partnership that earned the next goal. Brandon surged forward and was felled just outside the area, James stepped up and fired the ball into the top left hand corner (look out Ronaldo) to take the home side into a deserved 2-0 half time lead.

The second period again saw Shrublands attacking from the start and Waveney seemed rather slow to react and let the away side back in the game. Shrublands brought the game level with 2 well taken goals and now looked for the winner. Eventually Waveney found their attacking form again and Jordan pushed the boys in front with a surging run to leave the defenders in his wake which was finished with a sublime shot to match.

The game was still in the balance and Shrub hit the bar and had a shot cleared off the line before Waveney put the game out of their reach with Alex poking home a parried shot from Jordan.

Today was a gutsy performance boys, this is the sort of game when you need to dig deep and you done it, well done!
