Report:

These two teams finally met after 2 previous call offs, the weather was atrocious but a Shield quarter final needed an outcome. Waveney started the encounter with a new shape and after the initial settling in period they boys took control with Corey getting the opener on 8 minutes. Jordan & Danny linked superbly on the wing and sent a cross over the keeper's outstretched palm for Corey to volley home. James made way for Fred who responded within 2 minutes making it 2-0. Again Jordan made the telling pass which Fred checked his run took two steps and smashed the ball safely in the corner. Bohemians looked to play the long ball and hustled Waveney for possession, but Jordan put the game out of reach with a fantastically calm side foot finish.

Henry & Mikey took over the wings for the second period and soon put in the battling qualities to match the rest of the team. Unfortunately the cold and wet seemed to get take control and two players came off, the defence got caught on 2 corners allowing the ascendancy to swing to the home side. Bohs changed to 3 up front and we put some pace at the back to see out the game...thankfully the whistle came after another corner was successfully defended.

Everybody deserves a pat on the back today; the game was played in Great Spirit and both clubs can be proud of the display put on.
