

Waveney Youth F. C. Match Report

Date:	Sunday 26 th October 2008	Kick Off:	12 noon	
Waveney U12C	2	V.	2	Kirkley & Pakefield B
Jordan(1), James(1)				
Referee:	Jack Davies			

Report:

Waveney started the brighter of the two sides and pushed Pakefield back early on. The away side played nice neat football and soon showed they meant business and moved the ball around the pitch well.

With the rain lashing down the ball skipped along the surface quickly making the measured passing game tricky. Pakefield took the lead against the run of play with a mix up between the defence and the keeper allowing the forward to rush in and slot home for 1-0.

Waveney responded in the best way possible and pressed forward with constant pressure; Jordan clinched the equaliser after a one-two with James and beat the defender to then pass into the far side of the net.

22 minutes played and K&P took the lead again with a goal not too dissimilar to the first. James got the home side back into it after a Pakefield foul throw gave Waveney the advantage and they capitalised with James reacting quickest to the rebound.

Dominic pulled off a cracking save in the second period to keep the game all square, all in all a fair result considering the conditions.

Well done to everybody and looking forward to the away game...
