Report:

The away team were certainly the brighter side from the start and pushed for the early goal with Danny looking very sharp up front with Jordan. The home side played on the back foot and held firm for the first 12 minutes with shots aplenty and both the crossbar and post taking a bashing. James eventually broke the deadlock on 13 with a neat side foot finish. Brandon played his 100th game in an unfamiliar position, but did not look out of depth and twisted and turned down the wing supplying great crosses whenever the opportunity arose. Alex added 2 further goals before the break to ensure Waveney went in the happier side.

Mikey & Fred entered play in the second half, and within 48 seconds Fred rose to meet a superbly delivered corner from Jake to head home for 4-0. Mikey added two himself, the first a tap home from another corner and the second a belter from distance. Alex claimed his deserved hat-rick as the boys in yellow played some exceptional football, nice neat passing with a solid midfield and defence to compliment.

Jordan finally found the net twice after playing most of the game with 2 or 3 Ormesby boys close on his heels and minimising his normal free scoring abilities.

The final score was 9-0 which was obviously a comfortable victory; as Ormesby only managed 2 shots throughout the game. Boys the most pleasing thing to watch was the fact you all kept your shape and believed in each other. The passing and movement was good, the confidence was showing and you worked for each other and the team...

WELL DONE TO YOU ALL!
