

Waveney Youth F. C. Match Report

Date:	02 nd November 2008	Kick Off:	11.00am
Burnt Hill 95 U12	2	V.	8 Waveney U12C
		Corey (2), Jordan (2), Alexander (1), Fred (1), Mikey (1), Henry (1)	
Referee:	Kevin O'Brien		

Report:

Burnt Hill started the brighter side and soon had a shot on goal which rustled the side netting. This brought Waveney to life and the boys attacked in numbers and soon levelled with Corey tapping in after James put a super ball in the danger area which eluded the goalkeeper for the front man to finish. The away side then dominated the play and Jordan added to his goal tally after Corey sliced a shot which fell kindly to the top scorer. The 3rd goal came after a mix up in the penalty area and Jordan got his foot to the ball through a pile of bodies to poke home. Waveney soon added a fourth with Jake taking the goal kick, this cleared the defending team and Corey pushed forward to then shoot across the keeper from the edge of the box. Alex notched the 5th after Jake again delivered a great dead ball for his brother to drive forward and slide under the advancing keeper.

The second period saw a few changes which unfortunately allowed Burnt Hill back into the match and they pulled a goal back swiftly after the kick-off. Waveney took on board the coaching from the sideline, re-shuffled the pack and started to play the attacking football we have become use to...Fred found the ball after watching it drop from Daniel's long goal kick to push forward, beat a defender for pace and fire in off the post. Mikey added to the scoring after a corner fell kindly for the lad to smash home. Burnt Hill claimed another goal with a good piece of play to make the game 2-7. Henry scored his first goal after reacting quickest at the far post to ensure Waveney had a comfortable victory in muddy conditions.

The defence played well today, and the pleasing thing was the way you worked the ball out and always looked for the pass rather than "punting" it out. Midfield needs to be grittier and fight for the 2nd and 3rd ball...but overall the job was done and we came away with the points, well done.

Hi-Tech man of the match: Daniel Overy
Edmundson Electrical man of the match: Robert Harris
Klyne Tugs man of the match: Danny Cook
