### Report:

Waveney secured all 3 points and promotion to division one with a hard fought victory at Belton. Bohemians came out of the blocks fast and pushed the away side back. A throw-in wasn't watched and the striker broke to the base line then fired across goal with the ball running along the line and into the net after bouncing off the far stick. Fred replaced James up front and within a couple of minutes made a positive impact. Danny fired in a shot which came back out, Corey pushed the ball back in the danger area and Fred battled hard with the defender to fire in across the keeper for the equaliser. On 25 Danny found the back of the net after Brandon turned his marker on the wing a played a diagonal for Danny to take in the box a shoot past the advancing keeper.

The second half saw both teams' miss goal scoring opportunities from corners and Jayson hit the base of the post with a header after out jumping the defence and the sprawling keeper. Fred added two more goals to his tally with no nonsense strong attacking football. The first six minutes in after shooting and then reacting to his saved shot to tuck home. The second was after receiving the ball from a throw and then driving into the penalty area and firing in the corner of the net.

The game today wasn't pretty and didn't flow, but you worked hard and took the opportunities when available...but the points were gained ensuring football at the highest level next season. Well done to everybody!
