Report:

After a half hour delay the match started at a frantic pace with Waveney dragging a shot just wide of goal within 20 seconds. The game was then spent in the home sides half for the next 6 minutes...the keeper stood firm and the attacking players tried their luck. St. Benets scored a cracking goal against the run of play with a super run up the wing which was finished with a fine effort nestling in the far side of the net. Waveney responded immediately rather than dropping off and Alex powered through the middle slipping a ball to the feet of Jordan who then raced past the defender to slot in for 1-1.

5 minutes before the break Waveney took the lead after some determined battling from James. The lad finished his fine dribble with a shot which was saved at the near post, Fred tried a re-bound which was again saved and then Danny had a go resulting in the goal at the far post.

The second half had Waveney on the back foot with the home side pegging them in. Jayson, Brandon, Jake & Robert worked their socks off breaking up attack after attack. Dominic raced off his line clipping the feet of the speeding forward who then fell in the box...up stepped Wasps for the penalty, but blazed the effort over the bar.

Waveney had several more attempts on goal, but couldn't put them away; St. Benets played the better attacking football in the second period but again lacked the killer punch. All the goals came in the 1st half giving the 3 points to Waveney.

This was an evenly contested match and played in superb spirits, well done to all involved.
