

## Waveney Youth F. C. Match Report

Date:	08/02/2009	Kick Off:	10:30am	
Waveney Youth U12C	0	V.	8	Bohemians Youth U12A
Referee: Jack Davies				

### Report:

Waveney welcomed Bohemians A to Barnards in the Ipswich & Suffolk Open Cup semi-final, Bohemians arguably the best local team at this age group. Everybody expected the away side to annihilate the lower league team, and unfortunately the score line reflected this. The first half unfortunately wasn't pretty with Waveney giving far too much respect to the opposition, thus allowing them space to play...within the first two minutes Bohs got the upper hand with a really soft effort, two more followed before a switch of shape and personal. The fourth quickly followed after a handball in the box, and then a further two before the break.

The team talk was direct and this reflected in the play with a far better second half performance. Waveney actually started to pass and attacked as well as defend stronger. Bohemians were the sharper team overall and added two more to the tally making it 8-0. But the C team rolled their sleeves up in the last 30 minutes, although the damage was already done and should not be too despondent with the score line as other teams have suffered this in a higher league.

Lads let's forget the score line today, you played good football in the second period and at times it was hard to tell which was the 2<sup>nd</sup> division team. When you work like that you can all be proud of yourselves.

Hi-Tech man of the match:

Corey Hurren

Edmundson Electrical man of the match:

Alexander Cross

Klyne Tugs man of the match:

Jake Cross
