Report:

Waveney went in to this game with Wasps expecting a tight affair as they had already met twice this season and just won by a single goal on both occasions. Jordan pressed immediately and opened the scoring with a goal bound effort being helped in the net by a defender. James doubled the lead on 9 when he chased a ball at the far stick and determinedly beat the defender to fire in across the face of goal. Both teams fought hard in the middle, but the home side looked hungrier and closed down at every opportunity limiting St. Benets to hurried passes only.

The second period started brightly and Daniel playing in an unfamiliar role passed a super ball along the deck for Alexander to drive into the box, beat a few defenders and smash home for 3-0. St. Benets pressed from the re-start and scored with a well taken goal. This spurred Waveney on who responded immediately, making it 4-1. Jordan drove hard at the back line, twisted and turned finishing with a neat shot.

Mikey replaced Corey in the centre and played a steady no nonsense game, Henry & Fred replaced Jordan & James and soon got into the spirit pressing for another goal. Their reward wasn't too long in wait with a ferocious shot nestling in the back of the net after a defender helped it on its way.

Great game today lads, you all played extremely well and pressed for the ball allowing the opposition no time. Your hunger and passion was clear to see resulting in another 3 points. Well done to you all.
