

## Waveney Youth F. C. Match Report

Date:	10 <sup>th</sup> November 2008	Kick Off:	12 noon	
Waveney Youth U12C	2	V.	1	St. Benets Wasps A
Corey (1), James (1)		Enter Scorers if applicable		
Referee:	Tom Critoph			

### Report:

The two sides met in a warm up for the league game in a couple of weeks. Waveney started the Shield encounter with the wind behind them and after 2 minutes Robert picked the ball up after pressing forward into midfield and fired the ball over the back line for Corey finish sweetly with a fantastic chip over the big keeper.

Both sides seemed to null each other out after that and passing was wasn't fluent, St. Benets missed a glorious opportunity after the striker found himself with an open net, but somehow blasted wide. Dominic picked up and injury in goal, which made his reaction time slow and gave Wasps the advantage in the attacking third. Waveney also squandered chances, but on the whole had the edge as they went into the break.

Daniel took the goalies jersey for the second period and soon picked the ball out of the net with a long wind assisted kick that bounced over his head to even the score.

St. Benets now had the bit between their teeth and pressed the home side back with Waveney having to dig deep and remain resilient. As the time pressed on people thought the game would finish even, but James re-entered play and had an immediate impact finishing of a scuffed shot to tuck away neatly in the far corner.

Waveney watched the clock countdown and packed the defence, but this gave the away side space and they piled the pressure on. With one minute to go they received a free kick a metre in front of the box, the wall lined up and the player struck the ball straight over the heads and thankfully Daniel pulled off a superb save pushing the ball over the bar...this summed up the display today, gritty and determined. Well done guys.
