### Report:

Waveney started their new season with a trip to Solebay and gave debuts to four new players and the season could not have got off to a better start when early in the game Waveney took the lead. The ball was worked well down the right with J Oldman & A Mckirdy combining and the cross found J Smith whose shot flew past the keeper. Solebay was always dangerous from the big ball over the top but captain O Cropley marshalled his defence of M Hunter, J Snell & K James well and C Cole cleared his lines well. Waveney's midfield started to get on top and from a great ball from T Rumsey found J Cross who beat his defender and his shot beat the keeper but came back of the post. Waveney would have increased the lead but either the keeper saved well or the shots just went wide. The second half started in the same vane with some great pass and move with J Braben, unlucky not to score with a shot just going wide. Waveney increased the lead when a move started at the back by M Moran found J Snell who passed through to J Cross who found the net with a great shot. M Hunter picked the ball up from defence and went on a great run and was unlucky to see his shot just go wide. As the game went on Waveney had lots of chances and M Roth played a great one two with J Smith and J Braben, J Cross, T Rumsey, O Cropley, J Oldman saw shots either well saved by great saves by the keeper or shots just wide. Solebay never gave up but C Cole made sure that he was going to keep a clean sheet.

ABEL engineering and Norweb man of the match was M Hunter who had a great performance at the heart of Waveney's defence.
