Report:

Waveney took on a strong and determined Bohemians team and it was Waveney who took charge of the game with some great passing football and from one of these moves J. Smith should have scored. With J. Oldman and M. Hunter in midfield winning the ball and putting some great passes through and from one these passes found J. Snell who beat two defenders, and his cross nearly found J. Cross. Waveney took the lead when J. Cross ran on to a great ball through from J. Brabben and scored with a brilliant strike past the keeper. Bohemians came back into the game and equalised when a through ball split Waveney's defence for a forward to run onto and score past C. Cole. Back came Waveney and were unlucky not to score with A. Mckirdy, J. Cross and J. Brabben shots either being saved or just going wide. Second half Waveney started strongly and this time Waveney defence of K. Pitchers, K. James, M.Roth were well marshalled by captain O.Cropley stopped all Bohemians attacks and C.Cole cleared his lines well. Waveney took the lead when some great tackling in midfield by T.Rumsey found J.Cross whose shot was saved and the ball fell to A.Mckirdy who blasted the ball into the net via a post. Bohemians were always in the game and it took some great defending from M.Moran and with Bohemians looking for an equaliser Waveney increased their lead when J.Oldman shot was blocked and J.Smith picked the ball up and scored with a brilliant shot past the keeper. It took some great goalkeeping from C.Cole to prevent Bohemians getting back into the game and T.Pettitt was unlucky not to score from a great pass move.
