Report:

Waveney took on the league leaders and had a great start and took the lead when a move down the left found J. Smith and his cross found J. Oldman who blasted his shot past the keeper. Waveney was playing some great one touch passing football and J. Oldman, J. Brabben, J. Cross and A. McKirdy all had shots just going wide, saved, or blocked. St Benets were dangerous on the break and from one of these attacks C. Cole produced a brilliant save to prevent the equalizer. This seemed to spur Waveney on and a pass from T. Rumsey through to J. Cross who played in J Brabben who calmly shot past the keeper to score. The second half started with St Benets on top but for some great defending from M. Hunter, M. Moran, K. James and Captain O. Cropley preventing them scoring. The next move from a throw played in a St Benets forward whose cross shot gave C. Cole no chance and pulled a goal back. Waveney was still making a lot chances but either poor finishing, or shots just going wide or over the goal. Waveney kept going and increased their lead when a through ball found J. Cross who beat the advancing keeper with a great finish. St Benets never gave up and scored another goal when a forward broke through to score. St Benets pushed forward for an equaliser and Waveney broke away from a pass from K. James played in J Smith whose shot beat the keeper but came back of the post and it fell to A. McKirdy who blasted the ball into the net to win the game for Waveney.

ABEL Engineering & Norweb man of the match was J. Cross for a great game. T. Pettitt deserves congratulation on a great achievement of completing over 100 games for the team. (Well Done).
