Report:

Fantastic opening game for the start of the new season. Has it really been nearly 5 months since the last match game? Practice throughout the summer has proved to be an important part in today's opener as the lad's used many tactics that put them in good stead for a successful win.

From great passing and finding spaces to marking opponents the Lynx boys looked a serious side that meant business. It seems that playing 6 a side and on a larger pitch could prove to be preferable for the team. Lynx kicked off and it was soon realised they were the stronger team. Within 5 minutes Jack had made a great run from the half way line beating 3 players, crossed the ball passed their keeper for Joe to poke in the first goal. Soon after, it was quickly followed by another putting the boys 2-0 up. There was some excellent team work between the lads with great passing between Lewis, Tyler and Ronan in defence.

A quick move from Burnt Hill see them score a great goal which our keeper Aaron nearly got his hand to. Aaron made some great saves during the whole match and had an all round good game. By the halftime whistle, Lynx was leading by 4 goals to 2.

The second half see some great play between Sam (Lynx new signing for this season and played a great game), Joe , Zach and Callum with excellent passing between themselves and definitely dominating the game. There was 3 or 4 attempts from Sam striking the ball lovely at goal but the woodwork or their keeper prevented him from scoring. Towards the end Joe managed to run the opponents half and burying the ball in the back of the net with their keeper left standing... Final score 5-2 and definitely a well deserved win.
Well done lads, great game.
