Referee:	Bradley Elvin		

### Report

Brilliant.

The word that sums this game. Lynx started this cup match meaning business and finished like they did mean it. This was the best performance yet, and again, tops the previous weeks display. The boys were up against a very strong team but they didn't let this deter them. Within the first minute Lynx made the opening attack with a pass to Callum who took the chance and had a shot on goal, but was stopped by their keeper. Zach, Tyler, Lewis and Ronan played a fantastic defensive game and stopped many of the quick 1-2's from Gorleston and therefore stopped them from scoring. A superb turn from Joe see him blast the first goal of the game into the back of the net. This was quickly followed by another as Joe weaved between the defence and not giving the keeper a chance. Half time see the score at 2-0.

The opening of the second half was a display of great passing between all players. Sam and Jack played great teamwork between each other as they attacked but Gorleston were not going down without a fight. Their quick play soon brought the score to 2 all, with Aaron making some great saves in between. As Lynx attacked, the ball fell to Sam who safely put another goal on the score sheet. Again, the opposition fought back and pulled the game back to 3 all. With not long to go, the Lynx boys held their nerve and a great through ball from Joe to Sam see him put the winner in the back of the net.

Fantastic game with fantastic team play between all players, well done to all and congratulations on winning a place in the next round. Brilliant.
