Report

Following on from last week the Lynx lads gave another fantastic performance for this cup tie.

The opening minutes see Waveney awarded a free kick and were quickly one goal up. Sam made great contact as the ball hit the top right hand corner of the net leaving their keeper standing. It was soon followed by an own goal and the Lynx boys were looking confident. K & P were very determined though making several breaks but were stopped by our keeper Aaron who made several vital saves in the first half. In the closing minutes though it was now 2-1.

The second half see a fantastic display of great defending, passing and goal scoring. Lewis, Zach and Ronan held the defence well, while Jack, Calum and Tyler played the ball well in midfield to our strikers. Sam notched another 3 goals with Joe matching it in the final 10 minutes. The last goal came from a superb corner taken by Sam and power headed by Joe hitting the back of the net..In all, another great performance that seems to be getting stronger by the week

(Sponsors) Player of the Match:	Sam Freestone
