Report

The game started off fairly slow and within 10 minutes Waveney had found themselves 2 nil down. The lads finally found their feet and started to play the ball well with some great passing between Tyler, Zach Lewis and Ronan in defence.

The ball came to Joe's feet who after weaving several of their players finally found the back of the net. Being a goal behind the lads desperately tried to find an equalizer before half time... and it came. Waveney were awarded a corner in the last minute and taken superbly by Sam for Joe to header the ball for another great goal. Half time 2 all.

Second half see a very tight game and fairly evenly matched. It seemed that one more goal was going to determine the winner of this match. Aaron made some great saves to keep Waveney in the running and Jack made some great tackles to play the ball forward along with Callum.

With 5 minutes to go Joe took a corner to find the feet of Tyler who blasted the ball for yet another cracking goal. Unfortunately in the last few minutes of the game Waveney's defence were caught out and Blundeston pulled the game back for a draw.

Penalties were now going to decide the fate for the winner of this game. Jack scored a fantastic goal first followed by Sam which was enough to win the game.

Another nail biter from the Lynx lads, well done to all, well deserved and congratulations for reaching the next round

(Sponsors) Player of the Match: Tyler Grimes
