### Report

The game started as it finished with strong team play between all players. Within the first few minutes Lynx had made several attacks and were quickly rewarded with a great goal from Callum. The lads kept up the pressure and with great defensive play from Lewis, Zach Ronan and Tyler and barely allowing Blundeston to make an attack. Soon, with excellent passing around the pitch, the ball fell to Sam who blasted a shot into the back of the net. A couple of minutes later though, Blundeston pulled a goal back.

As the second half began, there was some superb passing between Jack and Joe which see Jack place the ball perfectly in the right corner of the goal leaving their keeper standing. Soon though, Blundeston made a quick attack and scored again.

After learning from previous experience the lads now played a more defensive game to see them through the last few minutes of the game, but this meant Aaron had to make several saves to keep the game in our favour. Another well earned win for the Lynx lads.
