### Report:

This was a good game played in a fine spirit in windy and muddy conditions. After a slow start, where both teams had to work hard to get the ball up from the mud, a determined Waveney side took the lead and stormed ahead ending up 0 - 4 at half time. The second half was a similar story and Firside were no match for Waveney who battled hard to score 4 further goals. The scorers, Georgia x 2, Beth x 2, Vienna x 2 and Maddie x 2 were successful, largely due to some great passes and safe defending by Abbie and Emily. The goalkeeper Sophie also played her part and was able to keep a clean sheet. The final score 0 - 8 was a really great result which showed how far the girls have improved. Also, well done to Firside who never gave up despite the number of goals they conceded.
