Report: In cold, muddy and windy conditions, a much-improved Firside travelled to Barnards Meadow for the second fixture between these teams this season. Despite having won the first match 8 – 0, Waveney struggled and lacked their usual sparkle. In defence, Emily and Abbie helped Sophie the goalkeeper and between the three were able to reduce threats to their goal to a minimum. Though a goal scored by Maddie gave Waveney a slender lead just before half time, Waveney were unable to take advantage. The second half continued like the first and but for the gritty determination shown by Abbie, who lead by example all over the park, Firside who continued to threaten to the end could have nicked a point. A final score of 1 – 0 to Waveney was flattering.
