### Report:

On a muddy pitch, Waveney girls travelled to North Walsham girls for their second meeting of the season. The game started with a goal from B Turner in the first 5 minutes, then North Walsham started to get back into the game with some fine through balls from their defender, which eventually broke to one of their attacker to shot which initially was saved by S Hockings but then spun into the corner of the goal. In the second half, the game was more of the same with some good strikes on goal from both sides, but the game was eventually won late on with a strike from M Lyon.
