Report:

With Dersingham Rovers Reserves going well in Division six, this looked to be a stern test for an in-form Waveney. But the home side came out as comprehensive winners, hitting 5 excellent goals.

The opening period was an even contest with few clear chances for either team. Midway through the first half, Waveney worked the ball down the right and the Dersingham 'keeper had to hurriedly clear the ball from his area but his clearance found only Waveney midfielder Scarff. Before the keeper could get back in position, Scarff hit an audacious shot from 45 yards which dropped into the net.

In the second half Waveney quickly put the game beyond the visitors, when Tom Aldis cut in from the left and fired a low shot in at the near post. Striker Littler was then put through one on one, & he rounded the keeper to slot home. Good work from Littler on the right wing saw him beat his man before cutting back to Aldis, who fired the ball first time, low into the bottom corner for 4-0.

Controversy then followed when the Referee awarded a penalty kick when a shot struck Waveney centre back Sansom on the arm, although he had his back to the ball and little chance of getting out of the way. But 'keeper Ben Willgoss, pulled off a superb save to keep his clean sheet. As he dived on the loose ball the frustrated Dersingham striker followed up and lashed the ball out of his hands. A melee ensued and eventually the striker was sent off by the referee. Sub Renshaw came on to good effect again; when Scarff picked up a loose ball on the edge of the box he played in Renshaw who neatly controlled the ball before firing low into the far corner.

The whole team worked tirelessly throughout the 90 minutes and the back four of Ballard, Evans, Sansom & Woolston were superb in helping Willgoss to another clean sheet.

Next Saturday Waveney entertain Kirkley & Pakefield 'A' in the Suffolk Junior cup. 2.15pm KO
