## Report:

Waveney travelled to Easton college, to face Easton reserves on a blustery afternoon. Waveney went with the wind first half and struggled to break down a stubborn defence which seemed quite happy to camp on the edge of their own box.

For long periods Waveney had possession but couldn't find a good final ball, anything played past the back four was taken by the wind straight to the Easton goalkeeper or out for a goal kick. Waveney then played some good football down their left hand side with Evans, Renshaw and Littler linking up well, with the latter delivering a perfect cross for Scarffy to force home from six yards for 1-0.

The Second half saw Waveney come out with a better attitude and it seemed to suit them playing against the wind their approach play and final ball was a lot better. A good move saw Renshaw back heel to Sam Willgoss who hit his shot low and hard from 20 yards into the bottom corner for 2-0. Evans was now causing all sorts of problems on the left wing and delivered some superb crosses into the box, but Waveney's finishing was sloppy as it seemed they were having too much time on the ball or when they did hit the target the Easton keeper was equal to the shot. Aldis made it 3-0 after Easton failed to clear, he picked up a loose ball and smashed home from close range. All in all a good 3 points picked up away from home and with the back four of Ballard, Sansom, Beecher & Evans along with keeper Willgoss keeping a clean sheet it now makes it four wins out of four.

Next week Waveney welcome Dersingham reserves to Denes high school K.O. 2.30pm.
